

Dear Families,

Your Kindergartener recently took a field trip to the Tompkins County Public Library, as part of the **Trumansburg Kids Explore & Discover (TKED)** program, a program made possible by TCSD Foundation. They enjoyed a special interactive storytime, made new friends, and learned how to use the Youth Services Department of the Library through a tour and scavenger hunt.

We are pleased to provide the enclosed book as part of the **Trumansburg Kids Explore & Discover** program to extend your child's field trip experience. We hope that you both will enjoy reading the book. We encourage you to visit the Tompkins County Public Library with your child, and if you have any questions or feedback, please contact us at 272-4557 Ext. 275 or 276 or check out our website at www.tcpl.org.

See you at the Tompkins County Public Library!
